

Shoppers Drug Mart #964

Experience

- Store owner Beth McMullen has been a Shoppers Drug Mart pharmacist/owner for almost 25 years and has worked with a variety of pharmacy teams. She is also a teaching preceptor for U of T Pharmacy school.
- Jennifer Ahn has been a pharmacist for over ten years and is a teaching preceptor for the U of T, pharmacy Doctorate program, along with Beth. you will often see students completing internships with her.
- Wendy Lee has been here almost as long as the store has been operating, her friendly smile will welcome those long time customers and new customers alike.
- Amanda D'Sousa is our CDE pharmacist. (Certified Diabetes Educator) So she can answer any diabetes-related questions and do one on one counselling to help patients better understand and control blood sugars.
- Steph, Jason, Phia and Enoch take care of the entry and ordering of prescriptions, to keep everything running smoothly.
